ART, CRAFT & PHOTOGRAPHY

Wowee! What a world!

Here at PhotoAccess, we're looking forward to welcoming your child to our engaging, inspiring and COVID-safe holiday photography program. This spring, however, our workshops may look a little different ...

With the COVID situation and government health restrictions changing rapidly, we're not quite sure yet what format our workshops will take. But, lockdown or no lockdown, there WILL be a program - maybe online, maybe in person.

So, as the school holidays draw near, please check our website for an up-to-date list of workshops available for kids and teens.

We're brewing up some super ideas!

Little Darlings

YOUTH PORTRAIT PRIZE 2022

Get your pencils sharpened, brushes loose and cameras ready, because there's a new portrait prize in town! *Little Darlings* is only for students, with four separate categories across Kindergarten to Year 12. Responding to the theme 'identity', students can paint, draw, photograph, print or combine all of these to make their portrait. We're just keen to see what they come up with. Twelve winners will be chosen by a panel of judges.

Sound fun and exciting? How about this too?

The twelve winning artworks will be on display in the Gallery alongside the *Darling Portrait Prize* in 2022. They will be used to create a calendar which will be available online, in the Portrait Gallery store and in the mailboxes of the twelve winners!

You have a while to get sorted, as entries close 8 October 2021, but why not start early? For more information, including the entry guidelines and FAQs, visit portrait.gov.au
